Want to be an artist in residence with us?

Fondation Suzanne Bastien provides artists in residence opportunities on a short term to maximum of two month time frame (subject to availability). Residents are accommodated in a free one bedroom self-contained house on the property by the lagoon. A cleaner and laundry is provided.

Additionally, we provide artists with a studio/workshop and unique opportunities to create works of art in varied natural settings. You can spend quite a bit of time observing the people and nature. You will have a time to yourself to think about the colour, texture, contrast, and emotion.

Conditions of Artist in residence
